MESSAGE FROM THE RECTOR

DR. BOTIR DAMINOV

Dear Aspirants!

Today our institute is the only and leading medical university in the Central Asian region for the training of pediatricians. By entering our institute, you will have a great opportunity to meet people who will be your lifelong friends, exchange views with medical professionals and explore the industry under the guidance of the most famous scientists and doctors of Uzbekistan. While studying at our institute, you will be able to acquire the knowledge and skills necessary to achieve success in the field of medicine, regardless of where you will conduct your business in the future. We believe that this is the best investment in your future.

If you visit our institute, you will have the opportunity to study with the best students from Uzbekistan and around the world. Deep knowledge of the necessary skills, creativity and high qualifications of our students make them in demand among employers.

TSAPMI is one of the best medical universities in Uzbekistan, which for about 50 years has been working on solving medical problems facing humanity. Our teachers not only teach modern knowledge, but they are also industry leaders, make new discoveries and make a positive contribution to the development of medicine around the world.

We are looking forward to each of you within the walls of the Tashkent Pediatric Medical Institute.

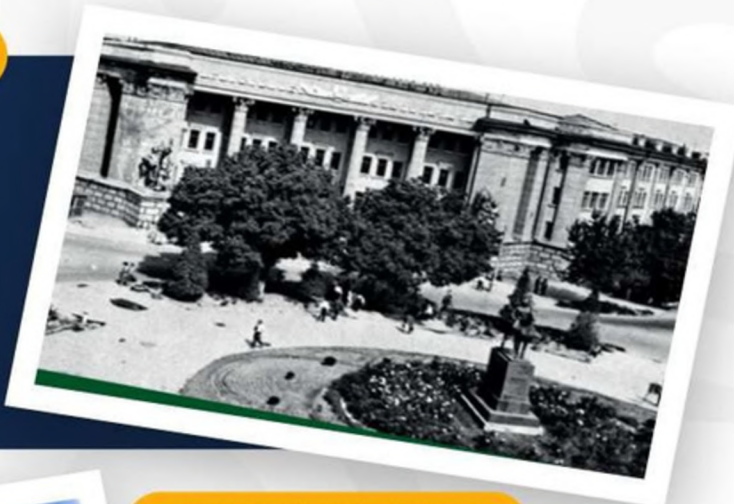

Best regards,
Botir Daminov

Rector of Tashkent pediatric medical institute,
Chief Nephrologist of the Republic of Uzbekistan,
MD, PhD, DSC, Professor

HISTORY OF THE INSTITUTE

1972 YEAR

The Central Asian Medical Pediatric Institute (CAMPI) was founded on July 23, 1972 by the decree of the Council of Ministers of the USSR as the only institute in Central Asia for the training of pediatric specialists.

FOOD

We have a special arrangement of food for foreign students and catering to student needs through its mess/canteen. Indian vegetarian / Non-vegetarian food is available in administration managed private hostel. Delicious and hygienic authentic Indian Food is served three times a day, freshly cooked by Indian cooks. There is a choice of North vs South Indian cuisine.

Students representatives decide menu on weekly basis. There are several Cafe / Restaurants in the city serving Turkish, Fast food, Indian and local Ferghana valley cuisine. Canteen / Cafeteria on University campus also caters to the students with Snacks, Coffee etc..

ACCOMODATION

There are several options available in accommodation including Government hostels, Private hostels, Private apartments. They differ in facilities and rental fee. Students can select according to their life style and budget. All the hostels are centrally located in the city and shopping markets, Banks, Medical clinics are on walking distance. Hostels are equipped with central heating system in winter. 2-4 persons share a room according to the room size. There is a separate section for girls and hostels are guarded by security personnel. Hostels have a common room, Dining room. Another option is renting an apartment in the city. Apartments are costly than living in hostel.

CAMPUS GALLERY

A photograph of a university campus. In the foreground, a wide, paved path leads towards a building. To the right of the path, there is a grassy area with several tall, thin trees and some smaller shrubs. The building in the background is multi-storied, with a yellow upper section and a red lower section. It has several windows, some of which are circular. The sky is clear and blue.
